

Hair and Beauty Students 2006-7 Course Yearbook

Introduction by the Hair and Beauty Coordinator

Well? What an eclectic bunch we had this year. Each and every one of you proved to be so very different. In everything you did, said and demonstrated. Although hard work for us all, you provided us with many laughs as well as exasperated hair pulling sessions in the staff room!

We wish you all the very, very best of luck in your chosen career, some of you already have jobs mapped out, some of you are staying on for further study (yes, we can't get rid of you yet!) and some of you are still attending interviews and trade tests.

Thank you all for showing some of the best skills seen by us for over 10 years.

Treasure this momento, it's always great to look back and remember the good times at college.

Jane Ward

Comments from the Lecturers.....

Macy, we didn't believe most of them but you provided us with some of the best excuses for lack of kit ever given to Lecturers! Miss Gibbs

Sarah and Katie, a double act if ever seen, where one went the other followed, when one was asked a question the other answered, when one failed an assessment the other asked why. Hope you remain firm friends whilst finding your own feet! Mrs Wills

Deb...Yes I know you're after my job! Get your experience, do your teacher training and come and see us. Mrs Richards

Natalie and Nina were in heaven after buying chocolate flavour masks at Olympia – not sure how much was left to remove with the mask sponges though. Take a look at the pic on page 5. Miss Gibbs
